

Foundation Training Job Description

Grade	F1
Placement	Haematology and Oncology
Department	<p>The department offers excellent training opportunities in acute general oncology and haematology. On average there are 2 elective chemotherapy and 2 emergency admissions each day, but the ward is very busy on a daily basis managing 22 patients with problems related to cancer.</p> <p>Registrars undertake ward rounds each day and there are full consultant ward rounds twice a week (with other members of the team, including palliative care, physiotherapy, OT and social workers). All the major cancer sites are covered.</p> <p>We are a busy unit assessing all admissions to the ward, which provides excellent opportunity to gain experience in oncology and haematology. There are specialist nurse teams for haematology, colorectal, upper GI and breast cancer.</p>
The type of work to expect and learning opportunities	In addition to the Generic Skills Programme there is mandatory F1 teaching session each Wednesday. There is also weekly Departmental Teaching and teaching clinics and ward rounds. There is also a monthly rolling audit programme and weekly MDTs.
Where the placement is based	Huddersfield Royal Infirmary
Main duties of the placement	<ul style="list-style-type: none"> • Day to day management of patients under consultant care. • Clerking of patients admitted to the unit. • Regular attendance at ward rounds held by consultant and registrar. • Completion of death certification, when necessary. • The cover of colleagues on annual leave and short-term sickness. • Any other duties commensurate with the grade which may be allocated from time to time.

<p>Typical working pattern in this placement</p>	<p>F1's work a 1:13 rota which includes weekend work. On Call responsibilities include providing cover for either the Medical Assessment Unit or Wards.</p>
<p>Employer</p>	<p>Calderdale and Huddersfield NHS Foundation Trust</p> <p>Calderdale and Huddersfield NHS Foundation Trust are proud providers of acute hospital services, where we value our staff and recognise that they are our greatest asset. The CQC rated us as Good in June 2018. In their report they confirmed that; "Staff were caring and provided compassionate care. Patients were treated with dignity and respect and their privacy was respected. Patients spoke positively about the care they received".</p> <p>If you want to join a supportive and friendly team providing compassionate care then come and join us to help us achieve 'outstanding' in the next CQC inspection.</p> <p>CHFT is nestled in the heart of the stunning Pennine hills; the area which inspired the works of the Bronte sisters. We're conveniently situated between the vibrant cities of Leeds and Manchester, and surrounded by breath-taking scenery, places to visit and things to do.</p> <p>With an affordable housing market and fantastic schools - 17 Junior Schools and 2 High Schools in the Calderdale and Huddersfield area have been recognised as outstanding by Ofsted- CHFT is perfect for family life as well as professional development.</p> <p>If you want to talk about opportunities please contact us at medicalhr@cht.nhs.uk and we will put you in touch with the relevant people that can tell you more about the role and how you can fit into the team.</p>

It is important to note that this description is a typical example of your placement and may be subject to change.
