Inspiring you to fulfil
your leadership potential

Clinical Leadership and Management Study Day for Junior Doctors, Nurses, Midwives & Allied Healthcare Professionals

Thursday 4th June 2020 or Thursday 5th November 2020

Who is it for?

Any junior doctors and healthcare professionals who wish to know more about leadership, managing change and leading teams effectively.

This inter-professional leadership study day will support your future career development in becoming an effective leader in order to maintain and improve high quality care for your patients.

**STUDY DAY FEE: £195 including tuition,
online resources, lunch and refreshments**

This Clinical Leadership and Management Study Day will focus on:

- examining what leading and managing means in the context of clinical practice
- enhancing personal effectiveness through a menu of leadership and management skills and techniques
- top tips on working more effectively and managing time in a challenging healthcare environment
- developing your self-awareness and identifying your strengths and areas for further development
- motivating the strengths and qualities of the inter-professional health care team within your practice
- gaining confidence and resilience to work as an innovative creative leader and to make an impact
