Training Day 1 – Careers

BMA Careers advice

Career advice and support

<https://www.bma.org.uk/advice/career>

- Detailed resources on applying for training, medical CVs, going abroad etc

Employment advice and support

<https://www.bma.org.uk/advice/employment>

- Advice on contracts, pay, pensions etc

An insider's guide to medical specialities

<http://www.bma.org.uk/advice/career/studying-medicine/insiders-guide-to-medical-specialties>

- Range of resources including top tips for choosing and an “inside look” at the different NHS specialities

Coaching

https://www.yorksandhumberdeanery.nhs.uk/learner_support/coaching

- Health Education England Yorkshire and the Humber offers free coaching to all trainees which could be used to discuss career plans as well as other topics

E-learning for Healthcare

Career Planning for Healthcare Professionals (CPP)

<https://www.e-lfh.org.uk/>

- Requires free registration
- E-learning programme designed to support you making an informed career choice and effective applications

Health Careers

Career opportunities for doctors

<https://www.healthcareers.nhs.uk/explore-roles/doctors/career-opportunities-doctors>

- Information about different career opportunities post-F2 and sources of support

Health Careers videos

<https://www.youtube.com/playlist?list=PLnppXZprOJfGN30DND-SUiZWejGXTecr>

<https://www.youtube.com/user/NHSMedicalCareers/videos>

- Short videos about different specialities and grades within the NHS

Health Education England: Specialty Training

Application guide

<https://specialtytraining.hee.nhs.uk/Recruitment/Application-guidance>

- Large range of resources covering all aspects of applying for specialities

Oriel application guidance

<https://specialtytraining.hee.nhs.uk/Recruitment/Oriel-Making-your-application>

- Specific guidance on using the Oriel system

Person specifications

<https://specialtytraining.hee.nhs.uk/Recruitment/Person-specifications>

- Criteria and qualities expected of those taking posts in these specialities
- Useful when preparing for interviews

NHS jobs

<https://www.jobs.nhs.uk/>

- Search function to find jobs post-foundation training e.g. clinical fellowships, teaching fellowships etc

Other Career Paths for Doctors

Please contact your educational supervisor if you are considering an alternative career path

Medical Success

<http://medicalsucccess.net/>

- Advice on non-traditional careers for doctors inside and outside of medicine
- Free careers advice

Other Options for Doctors

<http://www.otheroptionsfordoctors.com/>

- Range of resources and stories for doctors exploring alternative careers

Health Careers

<https://www.healthcareers.nhs.uk/explore-roles/doctors/career-opportunities-doctors/alternative-roles-doctors>

- List of jobs where a medical degree or clinical experience would be valued

Post-graduate qualifications in Medicine

<https://www.postgrad.com/search/postgraduate-programs/?q=medicine>

- Summary of different post-graduate qualifications in the UK (PG cert to Masters)

SupportTT

https://www.yorksandhumberdeanery.nhs.uk/learner_support/supported_return_to_training

- Information and support for those who have taken time out of training for any reason

Training Day 2 – Quality Improvement (QI)

BMJ Quality – Making the difference podcast

<http://feeds.bmj.com/quality/podcasts>

- Series of podcasts on quality improvement
- Available from many podcast apps as well as the below streaming website

E-learning for Healthcare

Foundation (FND) – Professional capabilities 20: Contributes to quality improvement

<https://www.e-lfh.org.uk/>

- Sessions include audit, evidence-based practice and quality improvement

Research, Audit and Quality Improvement (R&A)

<https://www.e-lfh.org.uk/>

- Based on the Royal College of Anaesthetics course “Perioperative Improvement Science and Management” (PRISM-ed)
- Covers key knowledge and training for QI with a focus on peri-operative care

Leadership for Clinicians: Clinical Leadership (CLE)

<https://www.e-lfh.org.uk/>

- LeAD sessions developed to increase junior doctors’ understanding of their role in contributing to management and leadership
- Includes session on managing and improving services

Future Learn

Quality Improvement in Healthcare: The Case for Change

<https://www.futurelearn.com/courses/quality-improvement#section-dates>

- Online module on different theories and models for improvement
- Free registration but certificate requires upgrade (screenshot completion page as evidence if required)

Managing Change in a Healthcare Environment

<https://www.futurelearn.com/courses/managing-change-healthcare>

- Online module on reasons, drivers and techniques to empower change
- Free registration but certificate requires upgrade (screenshot completion page as evidence if required)

Healthcare Quality Improvement

<https://www.hqip.org.uk/resource/guide-to-quality-improvement-methods/#.XL31XetKjyJ>

- Guidance on different QI models and statistics

Improvement Academy

Bronze Quality Improvement Training

<https://www.improvementacademy.org/our-training/bronze-quality-improvement-training.html>

- Online module to provide entry-level training on quality improvement
- Potentially extend to Silver QI training which has face-to-face learning

Institute for Healthcare Improvement

Quality Improvement Essentials Toolkit

<http://www.ihl.org/resources/Pages/Tools/Quality-Improvement-Essentials-Toolkit.aspx>

- Tools and templates to launch a successful QI project

Life QI

<https://www.lifeqisystem.com/>

- Platform of purpose-built tools including driver diagrams, run charts and PDSA cycles
- Requires registration with many trusts in Yorkshire and the Humber providing access

Royal College of Emergency Medicine

Quality Improvement Guide

[https://www.rcem.ac.uk/docs/QI%20Resources/RCEM%20Quality%20Improvement%20Guide%20\(Nov%202016\).pdf](https://www.rcem.ac.uk/docs/QI%20Resources/RCEM%20Quality%20Improvement%20Guide%20(Nov%202016).pdf)

- Guidance on quality improvement projects with focus on emergency departments

Royal College of Physicians

Learning to Make a Difference (LTMD)

<https://www.rcplondon.ac.uk/guidelines-policy/ltmd-toolkits>

- Toolkit including descriptions and tools to facilitate quality improvement projects

The Health Foundation

Quality Improvement made simple

<https://www.improvementacademy.org/our-training/bronze-quality-improvement-training.html>

- Quick guide to health care quality improvement

Trainees Improving Patient Safety through Quality Improvement (TIPSQI)

<https://tipsqi.co.uk/>

- Information and resources to undertake quality improvement projects
- Step by step guidance and advice specific to junior doctors

Training Day 3 – Simulation (Human Factors/Leadership)

Human factors

E-learning for Healthcare

Foundation (FND) – Professional capabilities 9 & 19

<https://www.e-lfh.org.uk/>

- Sessions include management of acutely unwell patients and patient safety

NW Simulation Faculty Development

<https://www.e-lfh.org.uk/>

- Resources designed for simulation faculty but covers the educational theory and practices relating to simulation-based education

Future Learn

Human Factors in a Healthcare Environment

<https://www.futurelearn.com/courses/human-factors-healthcare>

- Online module exploring how understanding human factors can improve patient safety
- Free registration but certificate requires upgrade (screenshot completion page as evidence if required)

Improvement Academy

Bronze Human Factors Training

www.improvementacademy.org/training-and.../bronze-human-factors-training.html

- Online module to provide entry-level training on human factors
- Potentially extend to Silver human factors training which has face-to-face learning

TED talks

Why Medical Error?

<https://www.youtube.com/watch?v=u6VuaxC0m5I>

- TEDx talk on human factors in healthcare
- Ken Catchpole is a research psychologist and human factors practitioner

West of England – Academic Health Science Network

Human Factors training videos

<https://www.weahsn.net/our-work/improving-patient-safety/collaborating-in-the-community/human-factors-2/step-by-step-guide-human-factors/human-factors-training-videos/>

- Selection of videos on Human Factors; used in presentations across Yorkshire

Leadership

E-learning for Healthcare

Foundation (FND) – Professional capabilities 6 & 7

<https://www.e-lfh.org.uk/>

- Sessions include communication, team-work and leadership

Leadership for Clinicians: Clinical Leadership (CLE)

<https://www.e-lfh.org.uk/>

- LeAD sessions developed to increase junior doctors' understanding of their role in contributing to management and leadership

Management and Leadership Skills (MLS)

<https://www.e-lfh.org.uk/>

- Range of management and leadership topics with real-life examples

Faculty of Medical Leadership and Management (FMLM)

Leadership toolkit for junior doctors

<https://www.fmlm.ac.uk/members/resources/leading-as-a-junior-doctor>

- Advice and case studies for junior doctors to develop leadership skills

Future Learn

Leadership Theory: The Basics

<https://www.futurelearn.com/courses/fundamentals-of-leadership-theory>

- Online module including leadership theories and styles
- Free registration but certificate requires upgrade (screenshot completion page as evidence if required)

Leadership for Healthcare Improvement and Innovation

<https://www.futurelearn.com/courses/healthcare>

- Online module on how leadership can influence strategic outcomes in healthcare
- Free registration but certificate requires upgrade (screenshot completion page as evidence if required)

-

Leadership Academy (Thames Valley and Wessex)

Learning to Lead

<http://www.oxforddeanery.nhs.uk/pdf/Learning%20to%20Lead%20Toolkit%2004012019.pdf>

- Toolkit for junior doctors early in the careers to develop their leadership skills

NHS Leadership Academy

Edward Jenner programme

<https://www.leadershipacademy.nhs.uk/programmes/the-edward-jenner-programme/>

- Free access e-learning resource over 6 weeks (complete at your own pace)
- Further face-to-face learning in the Mary Seacole programme

TED talks

How to be a great leader

https://www.ted.com/playlists/140/how_leaders_inspire

- Collection of TED talks on leadership with speakers from a wide range of backgrounds

What's Love Got to Do with it? Leadership in New Era of Healthcare

<https://www.youtube.com/watch?v=Ut0vvgg3zbiY>

- TEDx talk on the importance of leadership in healthcare to improve patient outcomes and lead to a happy workplace
- Susan Carter is the Administrative Director at Osher Center for Integrative Medicine at Vanderbilt (U.S.)

The King's Fund

Leadership in today's NHS: Delivering the impossible

https://www.kingsfund.org.uk/sites/default/files/2018-07/Leadership_in_todays_NHS.pdf

- Report about the importance of leadership in healthcare

Training Day 4 – Local Training Day

Variable topics depending on location ranging from communications to psychiatry simulation. Please contact local foundation administrator for further resources.

Training Day 5 – Teach the Teacher (F2 only)

BMJ Learning

Small group teaching

<http://learning.bmj.com/learning/search-result.html?moduleId=6055963>

- Module on practicalities of teaching small groups

E-learning for Healthcare

Foundation (FND) – Professional capabilities 4

<https://www.e-lfh.org.uk/>

- Module on practicalities of teaching small groups

Educator Training Resources (ETR)

<https://www.e-lfh.org.uk/>

- Sessions developed for educators in healthcare covering varied topics

London Deanery

Teachers' Toolkit

<https://faculty.londondeanery.ac.uk/e-learning/teachers-toolkit-index>

- E-learning materials covering wide range of topics from curriculum development to feedback

Teaching and Learning Practical Skills

https://faculty.londondeanery.ac.uk/e-learning/teaching-clinical-skills/teaching-and-learning-practical-skills/view?portal_status_message=Error%20creating%20PDF%20file

- E-learning materials on teaching clinical skills
- Focus on 4 stage approach advocated by Peyton

The Role of the Clinical Teacher

<https://faculty.londondeanery.ac.uk/e-learning/assessing-educational-needs/the-role-of-the-clinical-teacher>

- E-learning materials covering the roles of clinical teachers and assessment of educational needs

Multi-professional Podcasts for Clinical Educators

<https://faculty.londondeanery.ac.uk/other-resources/multiprofessional-podcasts-for-clinical-educators>

- List of podcasts developed primarily for students undertaking a Postgraduate Certificate for teachers in primary care
- Applies to many different healthcare professionals including junior doctors

Medical Education podcasts

<https://medicaleducation.podbean.com/>

- Podcasts from the journal *Medical Education* covering a wide range of topics

Royal College of Physicians

Acute care toolkit 5

<https://www.ucl.ac.uk/medical-school/sites/medical-school/files/rcp-amu-toolkit.pdf>

- Guidance on teaching on the acute medical unit

Royal College of Psychiatrists

Teaching clinical skills

<http://www.psychiatrycpd.co.uk/learningmodules/teachingclinicalskills.aspx>

- Online module designed to support clinical teachers to use more interactive and engaging teaching styles

TED talks

How to avoid death by PowerPoint

<https://www.youtube.com/watch?v=lwpi1Lm6dFo>

- TEDx talk on how to build great PowerPoints; very useful when delivering case-based teaching sessions

The Clinical Teacher podcasts

<https://podcasts.apple.com/gb/podcast/podcasts-from-the-clinical-teacher/id430333609?mt=2>

- Podcasts from the journal *The Clinical Teacher* covering a wide range of topics

University of Michigan

<https://www.coursera.org/learn/clinical-skills?action=enroll&authMode=signup>

- Free online teaching module; screenshot completion pages if evidence required

Training Day 6 – Workplace and Me (WAM) (F2 only)

Health Education England – Well-being resources

https://www.yorksandhumberdeanery.nhs.uk/sites/default/files/well-being_resources_2.pdf

- Extensive support documents for foundation doctors in Yorkshire and Humber
- Updated regularly with further resources added

Training Day 7 – Bridging the Gap (BTG) (F2 only)

Variable topics depending on Bridging the Gap day selected. Please contact your course provider for further resources.
